COMMUNICATION

On May 26, 2004, Applicants' representative received a telephone call from Examiner McAnulty regarding the status of the above-identified application. Specifically, Examiner McAnulty inquired as to whether a response had been filed following the November 3, 2003 rejection. Applicants' representative informed Examiner McAnulty that an Amendment had been filed on February 27, 2004, along with a petition for one month extension of time. Applicants' representative informed Examiner McAnulty that the Patent Office's own records showed that the \$110.00 fee was processed by the PTO on February 27, 2004.

Accordingly, Applicants' representative offered to provide Examiner McAnulty with a copy of the February 27, 2004 response, along with a copy of the date stamped

MEPHAM, S. et al.
Appl. No. 10/089,438
June 18, 2004

postal filing receipt in which the PTO acknowledges receipt of the Amendment and fee.

Examiner McNulty suggested that Applicants file a petition to rescind the "Notice of Abandonment" despite the facts that: (1) the Amendment had been filed on February 27, 2004; (2) the PTO's own records indicate that receipt of the \$110.00 extension fee; and (3) a Notice of Abandonment has not been issued.

During a follow-up telephone interview with Supervisory Examiner Bucci, it was agreed that Applicants' would provide this Communication along with copies of the February 27, 2004 Amendment and date stamped postal filing receipt.

It is not believed that any fee is due for consideration of the February 27, 2004 Amendment as it was timely filed along with a petition for one month extension of time. However, the Patent Office is authorized to debit deposit account no. 14-1140, under order number 978-57 for any missing fees.

Prompt and favorable consideration and allowance are earnestly solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
